REPORT:

I received information from DC Maguire regarding possible Anti-Semitic Graffiti at the Jewish Resource Center at this location.

INFORMATION:

I made contact with ██████████ ██████████ at the location. He indicated to me that several of the female residents at the location noticed graffiti on the front sidewalk, they told him it happened sometime overnight, but they did not know exactly when and did not see anyone doing it.

The graffiti in question was of an ejaculating male genitalia, and the words "fag" and "Jew". I photographed it and attached those photographs to this report.

██████████ told me that he was currently reviewing their surveillance footage and would notify me when he located the specific timeframe when the MDOP occurred. I informed him that

when he did so he could contact me, and I would retrieve a copy of it from him.

██████████ and I discussed the upcoming Jewish Holidays and security during them. I told him that we would ensure extra patrols during those times and that should he or the residents of the location see anything suspicious at any time to call 911 for a AAPD response.

REPORT:

I received the surveillance video of the MDOP incident via email from ██████████

INFORMATION:

I watched the video sent to me by ██████████ On it I observed a large group of people walking east on Hill passing the Jewish Resource Center. Two males break away from the group and enter the front yard grass, they take a photo and rejoin the group which is slowly walking past the location.

Another male from the group stands in the front yard and watches the above subjects take the picture, when they leave with the rest of the group, he stays in front of the location moving from the grass to the sidewalk, he has a white spray paint can in his right hand. He then bends over, and spray paints the homophobic slur and the male genitals. While he is doing so a female leaves the group and walks back to him. She watches him paint the graffiti then she takes the can and moves closer toward hill and spray paints the letters on the sidewalk.

The male appears to be a white male, medium height and build, he is tanned and is wearing a blue t-shirt and red shorts. He has dark hair which is possibly in a ponytail. The female appears to be a white female, she also has tanned skin and has long dark hair, she is wearing a light-colored tank top and jean shorts.

The subjects leave together and continue east on Hill.

██████████ stated in his email he believes that the graffiti letters painted by the female are the Greek letter Sigma Nu Sigma.

A copy of the video was forwarded to the DB because it was too large to attach to this

report.

SUPPLEMENTAL REPORT- Follow up

DATE:

08/25/2023

On the above date I was assigned this case by D/Sgt. I reviewed the report written by Cadet Aldrich and Sgt's Janette and Fauver. I learned that an unknown white male and female spray painted the word "FAG" and a picture of a penis on the sidewalk leading to the front door of 1335 Hill which is the Jewish Resource Center on 08/22/2023. D/Sgt. Garrett emailed me the surveillance footage of the incident from 1335 Hill.

I reviewed the surveillance footage and observed a group of ██████████ kids walking southbound on the sidewalk on Hill in front of 1335 Hill. I observed 2 unknown white males get their picture taken in front of the house at 1335 Hill. I observed an unknown white male wearing very short purple shorts with a white strip on the side of the shorts and had on a lite blue t-shirt on which revealed most of his lower abdomen and white shoes was watching the subjects get the picture taken. The subject appeared to be unsteady on his feet and was wobbling as he was walking. An unknown

white female wearing short bluejeaned shorts, white shoes and a lite colored tank top approached the subject as he was bent over spray painting the sidewalk. The female then started to spray paint the sidewalk herself and both subjects walked away southbound on Hill. The surveillance footage was not clear enough to get a still image of both subjects and the pillar on the front porch was obstructing the view of the subjects.

SUSPECTS ID:

On 08/25/2023 Sgt. Fauver spoke to the [REDACTED] [REDACTED] who identified the male subject from the surveillance footage as [REDACTED]. Please refer to Sgt. Fauver's report for further information.
